

Dear Coach/Team Manager,

Please share the contents of this e-mail with all the parents on your team.

For the fifth consecutive year **Carmo Photography** will be photographing the Sunburst Soccer Tournament. We have been in business since 1994 and specialize in sports photography. Our photographers will be roaming the fields taking photos throughout the weekend.

We wanted to let you know that we will be taking a photo of your team before your first game on Saturday. One of our sales staff members will then return to your team on Sunday morning with a sample packet that includes an 8x10 team photo. You will have the option of ordering a team photo hooded sweatshirt, T-shirt or a team photo mouse pad. We will include an order form so your team can place a group order. If a minimum of any 8 items are ordered as a team, then you will receive the reduced price and may also keep the sample product as a free gift. If no items are ordered please return the sample photo to our sales tent.

Also, if your team is interested in action photos please respond by e-mail or call us at 717-240-0903 to register to have your team photographed. **If you do not register we will not photograph your team.** We offer a pre paid high resolution CD of at least 150 images from one of your games for \$85.00. The CD must be paid prior to the event and will be shipped out the following week. Again, to register for action photos please e-mail us at orders@carmophotography.com or call us at 717-240-0903

Our sales tents will be set up throughout the weekend at all tournament fields. Please note we will not be posting images onto our web site following the event.
